

Minn-Dak Woodturners

Monthly Meeting

May 8, 2008

Meeting called to order at 7:00 PM by President Ryan Hoss.

Ron Erickson gave financial report. \$3262.00 is currently in clubs treasury. Finances were approved by the club. \$1700.00 was the profits from Tool Day. As of today there are currently 92 active members in the club.

Brochures from AAW are available membership and symposium information. Other workshop brochures are also available.

There are still a few tools left from Tool Day. They are available to club members.

CA glue is available from Ron Williams. Most of the glue was sold at the meeting, He will be getting more in the next week or so. He will be contacting those that want some when it gets in.

Dave Gausman has sandpaper that was order. There is also extra for those that want it.

Phil Holton also has tools that he is selling.

There is also some black walnut that is available for the taking.

Ron Williams has a lady that is looking for vessels that are made from the Library trees. Contact Ron if you have some of the wood left.

Stands for the club mini lathes are in the process of being build. It is was also suggested to buy two more mini-lathes for the club.

It was also suggested that the club hold more than one workshop during the year. Suggestions were made to hold them in the fall and again in January.

Informal club meeting during the summer months will be held at club members shops. June's meeting will be held at Jean Fuder in Foxhome, MN. July meeting will be held at Keith Klen in Fargo. Meeting notice will be sent out a couple of weeks prior to the meeting.

This months program was done by Don Wattenhoffer. He demonstrated thin walled vessels. Photos can be found on the website.

Show and tell was conducted of the work done by club members. Pictures can be seen on the website.

Meeting was concluded at 8:30 PM
