Monthly meeting minutes

December 10, 2009

The meeting was called to order at 7:00pm by president Ryan Hoss.

Ron Erickson gave financial reports. At present the club has \$5889.00 in the bank. A Motion was made, seconded and approved by the club to accept the current meeting minutes and financial report.

Bryan Geffre gave report on the new additions to the Library. All paid members can check out anything from the Library. Certain titles will need to be back each meeting as they are very popular. Especially the Coring video. Please make it a point to bring back what you have checked out each month.

Ryan brought up the three new lathes that the club purchased. They arrived today, and will be ready for the January meeting. An explanation was given as to why we purchased these lathes. Paul Hedman purchased the Powermatic lathe that the club owns, as we are unable to use it, as there is no 220 volt AC in our current meeting place. With the money that Paul paid the club, we were able to purchase these three lathes.

The January work shop was discussed. As we were unable to make contact with the directors of Trollwood, this years work shop will be held at Baker Nursery on Saturday, January 16, 2010. It start at 9:00 am and conclude about 3:00 pm/ This year we will be having demonstrations on Pen's, bowls, tops, boxes, howl form, spindles, eggs, finishing, segmented bowls, and other demonstrations. Lunch will be provided, and coffee and cookies. It was also suggested that demonstrators that are not members of AAW, the club will pay for one years dues. The club approved this proposal.

As the January workshop will be the Saturday after our regular club meeting, we will not be having our regular Thursday meeting. A list of demonstrators will be posted on the meeting notice in January.

Jim Mctavish will have a list of tools by the January meeting. Then we can set the date for Tool Day in February.

This months Demonstration was done by Meryl Valnes. He demonstrated Candle bowls.

Show and tell was conducted before the meeting was adjourned. Lots of Christmas ornaments were brought.

Meeting was adjourned at 8:30 pm
