Thursday January 13th, 2005 7:00 PM Toolday Tool Demonstration & Try Before you buy!

Our January 2005 meeting will prepare you for our Annual tool making day. You will be shown the correct usage of the tools that will be made this year. Then you can "try before you buy" to see if they are something that will interest you. Orders will need to be placed at the January meeting. See the attached order form for what will be available and their prices.

Our monthly meetings are at 7:00 PM on the 2nd Thursday of the month at the Gene Finneman's Paint shop in the Moorhead industrial park. From I-94, turn north into Moorhead at exit #2 (HWY 52). Proceed north to the industrial park. Take a left (west) on 20th Ave, then a right on 26th Street. The address for Gene's Painting Shop is 1802 26th St South. It is the building just to the north of Southtowne Storage (on the East side of the road).

Toolmaking Day

Toolmaking day will be on Saturday February 5th 2005 at Minnesota State University Moorhead's Hagen Hall (Technology Dept, room . To offer the low prices on the tools that will be made, we need your help. It is a fun day of everyone working together as a group. The tentative time will be from 9:00 AM to 4:00 PM. Hagen Hall is the building at the northwest corner of the university. A map will be sent out prior to the February date.

Please wait to pay for your tools until you pick them up! Prices are for members, unpaid or new dues must be paid at order pickup (\$25.00).

2004-2005 officers:

President

Cliff Storsved (701) 237-4417

Vice President / Librarian:

Duane Tougas (701) 261-4193

Secretary / Treasurer:

Jim McTavish (218) 498-2448

Committee members:

Ron Williams (218) 236-9140

Ryan Hoss (701) 293-5274

Dave Gausman (218) 483-4993

Vern Nolting (218) 233-6664

Plan on attending tool day from 9:00 AM till 4:00 PM. (Foremen should be there at 8:00). We'd like to have a couple of volunteers that will stick around to be the cleanup crew at the end of the day. Those volunteers can wait to come in at 11:00 and stay till cleanup is completed (this shouldn't be much more than an hour or so after the general work is completed). Lunch will be provided!

The location is in Hagen Hall at Minnesota State University Moorhead (MSUM).

The Technology Department's Machine shop is located in room 109.

To the left is a map of the MSUM area, and Hagen is circled. You can park in the lot directly to the west of Hagen Hall.
