Methods for embellishing your woodturnings

All members are encouraged to bring their turnings so we can benefit from everyone's expertise. We expect to make this meeting a glorified show and tell.

Bring your woodturnings that you have that you have decorated with painting, carving, sandblasting, whatever. I know we have some wonderful ideas within our club.

Vern Nolting

Meetings are at 7:00 PM on the 2nd Thursday of the month (September thru May)
at Gene Finneman's Paint shop in the Moorhead industrial park.

From I-94, turn north into Moorhead at exit #2 (HWY 52). Proceed north to the industrial park. Take a left (west) on 20th Ave, then a right (north) on 26th Street.

The address is 1802 26th St South. It is the building just to the north of Southtowne Storage (on the East side of the road).
