Our next meeting will be:

Thursday May 12th 2005 7:00 PM

History of Woodturning by Dick Enstand

Dick Enstand, whom we visited on our spring turning tour, is willing and able to come on May 12 to make a presentation on the history of turning. He has overheads and visuals, old tools, etc. and would do a great job in speaking on this subject.

Elections for the 2005-2006 officers will be at the May meeting.

If you are interested in becoming a club officer, the 7 elected positions are as follows:

- President
- Vice President / Librarian
- Secretary
- Treasurer / membership
- And 3 committee members.

Contact any of the current club officers for more info.

The offices of President, Secretary and Treasurer are open. Due to other commitments, Cliff Storsved and Jim McTavish will be unable to occupy those offices next year.

Our monthly meetings are at 7:00 PM on the 2nd Thursday of the month (September thru May) at the Gene Finneman's Paint shop in the Moorhead industrial park.

From I-94, turn north into Moorhead at exit #2 (HWY 52). Proceed north to the industrial park. Take a left (west) on 20th Ave, then a right (north) on 26th Street. The address is 1802 26th St South. It is the building just to the north of Southtowne Storage (on the East side of the road).

Summer meetings:

The month of May will be the last of our "official" meetings at Gene's paint shop. We are in need of members to volunteer to host an "unofficial" gathering at your shop for the months of June, July, and August. The date will be the normal 2nd Thursday evening of each month. If you are willing to be a host, contact one of the club officers to volunteer.

New Members!

Welcome to the following people who joined at the April Meeting:

Meryl Valnes from West Fargo,
Greg Sanders from Sabin,
Jim Kjelstrup from Detroit Lakes
Mike Brophy from Wahpeton

Anchorseal

Our 55 gallon drum of anchorseal end grain sealer has arrived! Cost will be \$6.00 per gallon. Due to the large interest in this product by members, we will limit the quantity at the May meeting to 2 gallons per member. Be sure to bring a gallon container (milk jug or other liquid container) with you!
