Our monthly meetings are at 7:00 PM on the 2nd Thursday of the month (September through May) at the Gene Finneman's Paint shop in the Moorhead industrial park. From I-94, turn north into Moorhead at exit #2 (HWY 52). Proceed north to the industrial park. Take a left (west) on 20th Ave., then a right (north) on 26th Street. Meeting Program

Demonstration

Wil Shynkaruk, Art professor at MSUM, will be able to join us to lead a discussion on design. Wil is a potter, and he has good insight on what looks good in a created round form.

Show and tell challenge

Bring in your segmented turnings and tell us your tips and trials.

Fourth Annual Great Turning Tour

Come and hear the story of twelve hapless, itinerant wood turners stumbling blindly through the great Cherokee National Forest of northern Minnesota in search of enlightenment. The Fourth Annual Great Turning Tour was a great success. I'm sure Ron Williams can come up with an epic poem to tell the story. Don't miss it.

Tool Day

If you didn't get to pick up your Tool Day tools in March, be sure to show up and claim your order at the April meeting. The extra tools will be available for sale too.
