Demonstration

Hollow Globe Christmas ornaments

Dave Gausman and Jim McTavish will demonstrate the techniques required to successfully hollow a wooden globe and turn slender finials for Christmas ornaments

This year, we'd like to sponsor another Christmas tree for the Meritcare festival of Trees. So, we need you to create any wooden ornament (turned, scroll sawn, etc) to donate to this cause. We'd like to see at least one (hopefully more!) ornament from each member.

Dues Reminder:

Dues for the 2006-07 fiscal year are due now. Please see Jim McTavish or Kurt Anderson to pay your dues. The amount is \$25.00, and please make checks payable to Minn-Dak Woodturners Association. With your paid dues, you will receive a membership card that you can use to check items out from the library.
