Meeting Program

From the log to a bowl

Our president promises a wonderful, yet to be determined, program. Come and see what he pulls out of his hat.

Tool-Day!!!

Tool-day 2007

Orders for this year's tools that will be made for our annual Tool-day in February will be taken at the January meeting. For those who are unsure what the tools look like, there will be samples of everything at the Jan 11th meeting. Please wait for payment for the tools until you pick them up. If you are unable to attend the January meeting, my address is at the bottom of the order form, you can mail it to me if you wish. Remember, the only way we can offer the low prices (typically 1/3 the price of similar catalog items) is with your help. Details on where (MSUM) and when in February will be coming.

Thanks!
