## Toolday Notes

### **Thanks!**

We'd like to thank everyone who participated in Toolday this year. We had orders totaling \$1360 and expenses came to \$663.42. We made some tools this year that were not on the order form. If you remember a few years back, we made a pyramid point tool. This year we made 8 of these in a smaller version (1/4 inch diameter) with a turned hardwood handle. The cost is \$15, and you may purchase it at the next meeting. We also made 2 new boring bars for the RW hollower. One has an "S" shaped curve near the cutter, and

the other is an "under the rim" style of cutter. We have 8 of the "S" shaped, and 10 of the "under the rim" style available. The cost on these is \$15 each.

Once again, thanks to everyone who helped out!  
See you at the March meeting!
