Meeting Program

How do you turn a stool?

Ron Williams has just returned from Arrowmont where, among other things, he learned how to turn a Stool. He has graciously offered to pass along some of the secrets, like how to determine the angle for the legs and some ways to turn four legs the same. You don't want to miss this one.

Election of Officers

Get involved in your club.

At this meeting, your Board of Directors will present several opportunities for you to get involved in the operations of your club. There are several positions available, so you're sure to find something that matches your skills and level of interest. You'll have time to look over the list of opportunities and decide how you'd like to participate. Election of officers will take place at the May meeting.
