Our next meeting will be:

Thursday, March 13, 2008

Our monthly meetings are at 7:00 PM on the 2nd Thursday of the month (September through May) at the Gene Finneman's Paint shop in the Moorhead industrial park. From I-94, turn north into Moorhead at exit #2 (HWY 52). Proceed north to the industrial park. Take a left (west) on 20th Ave., then a right (north) on 26th Street. The address is 1802 26th St. South. It is the building just to the north of Southtowne Storage (on the East side of the road).

Demonstration:

Ryan Hoss will be doing a demonstration of basic bowl turning. Jim McTavish will be recapping Tool Day.

I'd like to thank all of you who participated in our 7th annual Toolmaking day! It was another successful year!

Unfortunately, due to some issues with cutting of steel, and the fact we ran out of wire for the welder, there were some toolrests that were unable to be completed. Sorry for the inconvenience, I hope you'll understand and won't mind waiting until next year.

As I will be a bit late to the March 13th meeting, your tools will be available for pickup at the conclusion of the meeting. I will assist you with your orders at that time. And for those of you who are interested in some of the extras that were made, I'll know better near the end of the meeting what is available (I do
