Our next meeting will be:

## Thursday, December 10, 2009

Our monthly meetings are at 7:00 PM on the 2<sup>nd</sup> Thursday of the month (September through May) at the Gaede Stage on the campus of MSUM. From I-94, turn north into Moorhead at exit #1 (8th St). Take a right turn (east) on 12th Ave S. Then turn left (north) on 14th St South and proceed north to MSUM. The parking lot will be on the NW corner of the intersection of 9th Ave S and 14th St S. From Main Ave. in Moorhead, turn south on 11th St S, then turn right (east) on 9th Ave S and head to the intersection with 14th St S for parking for parking. Use lot C for parking.

If there is a change in location, signs will be posted in the lobby of the Theatre, and will be posted on the website.

**Demonstration:** This month's Demonstration will be done by Meryl Valnes. His demonstration will be on turning candle bowls, traditional and natural edge. This would be a perfect gift for Christmas, and is a way to use up the scraps of wood that you have that are too big to throw away, but too small for anything else.

**Dues:** September starts a new year, and dues can be paid. Make your check out to Minn-Dak Woodturners or bring \$25 in cash. See our treasurer, Ron Erickson, to pay! Remember, paid dues are required to make use of our extensive library! Make sure that you check out the new selections in the library. There are several new titles of books, and some new and replacement DVD's.

**Note to Members:** This is to let you know that Paul Hedman made a proposal to the club to buy the Powermatic lathe that the club owns. As we have been unable to use it since our move to MSUM, the board thought that this would be a good idea. The board also decided to purchase several new Jet lathes. Paul agreed to pay the price of the new lathes from Jet for the Powermatic that the club owns. Below is what the club is getting. The weekend after Thanksgiving, Jet/Powermatic offered a 15% discount on all lathes purchase from Friday 11/27 to Monday 11/30. What the club gets is a new lathe that we can use for demonstrations, and two extra mini-lathes for the same price as the Powermatic. The lathe's have been ordered and will be arriving in two weeks. Information on the lathes that the club has purchased is attached.

Jet model jwl1642evs 1 1/2hp 110 volt lists for \$1799.99 LESS 15% equals \$1529.99  
Jet model jwl1220vs mini lathe lists for \$599.99 less 15% equals \$509.99 X 2 = \$1019.98

sales tax is 6.5% or \$165.75  
Grand total for 3 lathes = \$2715.72

**Anchorseal:** A 55 Gal. drum of Anchorseal is being available for distribution at the meeting. The cost will be \$8.00/gallon and \$4.00/half-gallon. If you plan to pick up some Anchorseal, remember to bring a clean container. Checks or exact change would be appreciated. It is being stored with Norm Diede. If you want to make sure that you can get some at the meeting, it is suggested that you contact Norm prior to the meeting. His phone number is (701)-282-2002 or you can e-mail him at [nldiede@aol.com](mailto:nldiede@aol.com).
